We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. R. S. Hale & Co., druggists.

For many years universal endeavor has wearied itself in the endeavor to develop some agent which could make a better return for the latent power in a pound of coal than does a steam engine. Ericcson's engine is perhaps the best known of these devices, aithough that is said to lack economy in comparison to a steam plant, and to finds its chief use in small powers where a boiler is an inconvenient attachment.
